**"AN ACT CONCERNING SEIZURE AND CUSTODY OF  
NEGLECTED OR CRUELLY TREATED ANIMALS."**

1 After the last section, add the following and renumber sections and  
2 internal references accordingly:

3 "Sec. 501. Subdivision (4) of section 28-1 of the general statutes, as  
4 amended by section 1 of public act 07-11, is repealed and the following  
5 is substituted in lieu thereof (*Effective October 1, 2007*):

6 (4) "Civil preparedness" means all those activities and measures  
7 designed or undertaken (A) to minimize or control the effects upon the  
8 civilian population of major disaster, (B) to minimize the effects upon  
9 the civilian population caused or which would be caused by an attack  
10 upon the United States, (C) to deal with the immediate emergency  
11 conditions which would be created by any such attack, major disaster  
12 or emergency, and (D) to effectuate emergency repairs to, or the  
13 emergency restoration of, vital utilities and facilities destroyed or  
14 damaged by any such attack, major disaster or emergency. Such term  
15 shall include, but shall not be limited to, (i) measures to be taken in

16 preparation for anticipated attack, major disaster or emergency,  
17 including the establishment of appropriate organizations, operational  
18 plans and supporting agreements; the recruitment and training of  
19 personnel; the conduct of research; the procurement and stockpiling of  
20 necessary materials and supplies; the provision of suitable warning  
21 systems; the construction and preparation of shelters, shelter areas and  
22 control centers; and, when appropriate, the nonmilitary evacuation of  
23 the civilian population, pets, [and] service animals and horses; (ii)  
24 measures to be taken during attack, major disaster or emergency,  
25 including the enforcement of passive defense regulations prescribed by  
26 duly established military or civil authorities; the evacuation of  
27 personnel to shelter areas; the control of traffic and panic; and the  
28 control and use of lighting and civil communication; and (iii) measures  
29 to be taken following attack, major disaster or emergency, including  
30 activities for fire fighting; rescue, emergency medical, health and  
31 sanitation services; monitoring for specific hazards of special weapons;  
32 unexploded bomb reconnaissance; essential debris clearance;  
33 emergency welfare measures; and immediately essential emergency  
34 repair or restoration of damaged vital facilities."
